Position Title: Website Developer

Overview:

As a Website Developer, you'll play a crucial role in creating and maintaining our company's online presence, ensuring our websites are functional, user-friendly, and aligned with our business goals. This role involves collaborating with designers, content creators, and IT professionals to deliver seamless digital experiences.

Key Responsibilities:

- **Coding and Development:** Write clean, efficient code using HTML, CSS, JavaScript, and other relevant technologies to build and maintain websites and web applications.

- **Design Implementation:** Collaborate with designers to implement visual elements and themes, ensuring a consistent and visually appealing user experience.

- **Website Functionality:** Ensure websites are responsive, performant, and meet all functional requirements, including database integration and data synchronization.

- **Troubleshooting and Debugging:** Identify and resolve website issues, bugs, and errors, ensuring a smooth user experience.

- **Testing and Optimization:** Conduct thorough testing to ensure cross-browser compatibility and website performance, optimizing for speed and efficiency.

- **Documentation:** Maintain accurate and up-to-date documentation for websites and web applications.

- **Continuous Learning:** Stay updated with the latest web development trends, technologies, and best practices.

- **Collaboration:** Work effectively with project managers, marketing teams, and other stakeholders to deliver successful web projects.

Qualifications:

- Bachelor's degree in Computer Science or a related field, or equivalent experience.

- Proficiency in HTML, CSS, JavaScript, and other relevant web development technologies.

- Experience with front-end and back-end development, including database management.

- Strong understanding of web development principles and best practices.

- Experience with responsive design and mobile development.

- Ability to work independently and as part of a team.

- Excellent problem-solving and communication skills.
